

NSW Department of Education Sandy Hollow Public School Behaviour Support and Management Plan

Overview

Sandy Hollow Public School is committed to explicitly teaching and modelling positive behaviour and to supporting all students to be engaged with their learning.

Our goal is to inspire every child to participate positively in the school community and beyond. We focus on promoting excellence, opportunity and success for every student, every day. We value and strive to develop safe, respectful learners in a caring learning community.

Principles of positive behaviour support, trauma-informed practice, inclusive practice, and social emotional learning underpin our daily practice. High expectations for student behaviour are established and maintained through effective role modelling, explicit teaching, and planned responses.

The school prioritises attendance and positive behaviour in the Strategic Improvement Plan, and there are several initiatives to improve student and community engagement.

To achieve our mission, key programs prioritised and valued by the school community are:

- The You Can Do It! Program.
- Friendology

These programs prioritise social and emotional learning which supports good mental health, positive relationships and supports prevention of bullying.

Sandy Hollow Public School rejects all forms of bullying behaviours, including online (or cyber) bullying by maintaining a commitment to providing a safe, inclusive, and respectful learning community that promotes student wellbeing. Staff are committed to establishing evidence-based approaches and strategies that promote a positive climate where bullying is less likely to occur.

All members of the school community are active participants in building a welcoming school culture that values diversity and fosters positive relationships. A key component of a supportive school culture is building respectful relationships and an ethos that bullying is not accepted, in both online and offline environments. School staff actively respond to student bullying behaviour.

Partnership with parents and carers

Example Public School will partner with parents/carers in establishing expectations for engagement in developing and implementing student behaviour management and antibullying strategies, by:

• inviting parent/carer and student feedback through formal and informal means, such as school surveys, consulting with the P & C and local AECG

• using concerns raised through complaints procedures to review school systems, data and practices.

Sandy Hollow Public School will communicate these expectations to parents/carers through the school newsletter and school website. Our school proactively builds collaborative relationships with families and communities to create a shared understanding of how to support student learning, safety and wellbeing.

School-wide expectations and rules

Sandy Hollow Public School has the following school-wide expectations and rules:

SCHOOL RULES Follow teacher instructions. (the first time) Keep hands and feet to yourself. (at all times) Use friendly, respectful talk. Work, play and behave safely, considerately and responsibly. Show pride in yourself and your school.

Respectful	Responsible	Resilient
Listen to and follow instructions	Hands and feet to yourself	Ask for help
Use appropriate language	Right place, right time	Be your best
Work co-operatively	Use equipment correctly	Work together
Accept differences	Be ready to learn	

Behaviour code for students

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

The Behaviour Code for Students can be found at <u>https://education.nsw.gov.au/policy-library/policyprocedures/pd-2006-0316/pd-2006-0316-01.</u> This document translated into multiple languages is available here: <u>Behaviour Code for Students</u>.

Whole school approach across the care continuum

Our school embeds student wellbeing and positive behaviour approaches and strategies in practices across the care continuum to promote positive behaviour and respond to behaviours of concern, including bullying and cyber-bullying behaviour.

These approaches and strategies are built on a foundation of evidence-based effective classroom practices that set the tone for engagement with learning and respectful relationships. These practices include:

- stating and explicitly teaching classroom expectations
- establishing predictable routines and procedures that are communicated clearly to students
- encouraging expected behaviour with positive feedback and reinforcement

- discouraging inappropriate behaviour
- providing active supervision of students
- maximising opportunities for active engagement with learning
- providing carefully sequenced engaging lessons that provide options for student choice
- differentiating learning content and tasks to meet the needs of all learners.

Care Continuum	Strategy or Program	Details	Audience
Prevention	<u>You Can Do</u> <u>It!</u>	The You Can Do It! And Strengths Based programs are evidence-based comprehensive mental health and wellbeing approaches based on a combination of social and emotional learning, preventative mental health, resilience and life skills.	All
Prevention	<u>Friendology</u>	Friendology is a friendship skills curriculum , that helps students establish and maintain healthy relationships, manage conflict with kindness, and increase overall resilience.	All
Prevention	Breakfast Club	School community run a breakfast club program that provides access to a free healthy breakfast and builds strong student- teacher connections.	Staff, students K - 6
Prevention	<u>National Week</u> of Action (NWA)	Our school participates in the annual National Week of Action against Bullying and Violence (NWA) in August each year.	Staff, students 3 - 6
Prevention	<u>Child</u> protection	Teaching child protection education is a mandatory part of the syllabus.	Students K - 6
Prevention / Early Intervention / Targeted / Individual	Australian eSafety Commissioner <u>Toolkit for</u> <u>Schools</u> to prevent and respond to cyberbullying	The toolkit resources are categorised into four elements: Prepare, Engage, Educate and Respond. The resources are used to engage with the school community about creating and maintaining safe online environments to prevent cyberbullying incidents. The toolkit includes actions to report and manage cyberbullying incidents.	All
Targeted / Individual intervention	Learning and Support	The LST works with teachers, students and families to support students who require personalised learning and support.	All
Targeted / individual intervention	<u>Attendance</u> support	All staff discuss any attendance concerns and students are encouraged to set individual goal at the beginning of each term. These goals are discussed with parents/carers at PLP and IEP meetings, and staff address barriers to improved attendance and set growth goals.	Individual students, Teaching staff/families

Care Continuum	Strategy or Program	Details	Audience
Individual intervention	Individual behaviour support planning	This may include developing, implementing, monitoring and reviewing: behaviour support, behaviour response and risk management plans.	Individual students, parent/carer, LAST, AP

Planned responses to positive appropriate behaviour, inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying

Identifying behaviour of concern, including bullying and cyberbullying

A behaviour of concern is challenging, complex or unsafe behaviour that requires more persistent and intensive interventions. A behaviour of concern does not include low-level inappropriate or developmentally appropriate behaviour. Bullying behaviour involves the intentional misuse of power in a relationship, is ongoing and repeated and involves behaviour that can cause harm.

Sandy Hollow Public School staff will staff will identify inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying through a range of channels, for example:

- directly observing a student's behaviours, interactions, verbal communications, or work produced (such as written materials, performances or artworks)
- a person disclosing information that is not previously known, either because it is new information or because it has been kept a secret
- concerns raised by a parent, community member or agency.

Students or parents can report bullying to any staff member. NSW public school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds, including cyberbullying. Students who have been bullied will be offered appropriate support, for example through the school counselling service.

Responses to all behaviours of concern apply to student behaviour that occurs:

- at school
- on the way to and from school
- on school-endorsed activities that are off-site
- outside school hours and off school premises where there is a clear and close connection between the school and students' conduct
- when using social media, mobile devices and/or other technology involving another student or staff member.

Preventing and responding to behaviours of concern

Sandy Hollow Public School uses the following strategies to recognise and reinforce positive student behaviour and behavioural expectations:

The use of verbal and non-verbal specific positive feedback is the most powerful way to:

• help adults and learners to focus on positive social behaviour

Sandy Hollow Public School Behaviour Support and Management Plan

- increase the likelihood that students will use the expected behaviours and skills in the future
- decrease unexpected behaviour and reduce the need for corrective responses
- enhance self-esteem and build an internal focus of control.

Specific positive feedback may not be sufficiently reinforcing for some students, so the school-wide continuum provides the opportunity to pair verbal or non-verbal feedback with a positive, tangible consequence.

The school-wide continuum for acknowledging expected behaviour includes:

- free and frequent for everyday use by all staff in all settings
- moderate and intermittent awarded occasionally
- significant and infrequent -semester or annual types of recognition.

Sandy Hollow Public School staff model, explicitly teach, recognise and reinforce positive student behaviour and behavioural expectations. The You Can Do It! Program, "Friendology" and our school behaviour code consist of evidence-based strategies used daily by teachers to teach self-regulation, reduce impulsivity, increase focus and strengthen peer networks.

We acknowledge that not all students are encouraged by the same thing or in the same ways. Younger students may be more motivated by adult attention while older students are typically more motivated by peer attention, activities, privileges, or freedom. When learning new skills, students need immediate and frequent reinforcement and as they develop mastery they respond to intermittent and long-term reinforcement to maintain their social behavioural efforts.

The use of verbal and non-verbal specific positive feedback is the most powerful way to:

- help adults and learners to focus on positive social behaviour
- increase the likelihood that students will use the expected behaviours and skills in the future
- decrease unexpected behaviour and reduce the need for corrective responses
- enhance self-esteem and build an internal focus of control.

Sandy Hollow Public School Behaviour Support and Management Plan

Prevention	Early Intervention	Targeted/Individualised
Responses to recognise and reinforce positive, inclusive and safe behaviour	Responses to minor inappropriate behaviour are teacher managed.	Responses to behaviours of concern are executive managed
 Behaviour expectations are taught and referred to regularly. Teachers model behaviours and provide opportunities for practice. Students are acknowledged for meeting school-wide expectations and rules. 	1. Refer to school-wide expectations and/or emotional regulation visuals and/or supports so that the student can self- regulate.	1. Contact office to seek help from Principal/teaching staff if there is a risk.
2. Verbal and non-verbal specific positive feedback is paired with a positive, tangible reinforcer in a school-wide continuum for acknowledging expected behaviour.	2. Use indirect responses including proximity, signals, non- verbal cues, ignore, attend, praise, redirect with specific corrective feedback.	2. Principal to take immediate steps to restore safety and return the situation to calm by using appropriate strategies such as: redirecting to another area or activity, providing reassurance or offering choices. Incident review and planning is scheduled for a later time, determined by the context and nature of the incident.
3. Tangible reinforcers include those that are: free and frequent moderate and intermittent significant and infrequent Intermittent and infrequent reinforcers are recorded on Behaviour / wellbeing ITD system.	3. Use direct responses e.g. rule reminder, re-teach, provide choice, scripted interventions, student conference. Students have an opportunity to meet the classroom/playground behaviour expectation before low-level consequence is applied.	3. Principal collects information and reviews the incident from multiple perspectives to determine next steps. Staff to record incident on School Bytes and contact parent/carer by email or phone. Principal may consider further action e.g., formal caution or suspension.
4. Social emotional learning lessons are taught (You Can Do It! And Friendology) weekly.	4. Teacher records on School Bytes by the end of the school day. Monitor and inform family if repeated.	4. Refer to the school's Learning and Support Team considering current and previous behaviour data. Other actions may include completing a risk assessment and/or collaboratively developing a behaviour support/response plan.
Teacher/parent contact	Teacher/parent contact	Teacher/parent contact
Teacher contact through the parent portal or phone calls home are used to communicate student effort to meet expectations. Recognition awards for positive individual and class behaviour are given at fortnightly school assemblies.	Orange or Red notes ae sent home (parent communication) when a range of corrective responses have not been successful. Individual planning and referral to Learning Support Team may be discussed.	Parent/carer contact is made by school executive to discuss any support and behaviour responses, including referral to the LST, school counsellor, outside agencies or Team Around a School.

Responses to serious behaviours of concern

Responses for serious behaviours of concern, including students who display bullying behaviour, are recorded on Behaviour / wellbeing ITD system. These may include:

- review and document incident
- determine appropriate response/s, including supports for staff or other students impacted
- refer/monitor the student through the school learning and support team
- develop or review individual student support planning, including teaching positive replacement behaviour and making learning and environmental adjustments
- detention, reflection and restorative practices (listed below)
- liaise with Team Around a School for additional support or advice
- communication and collaboration with parents/carers (phone, email, parent portal, meeting)
- formal caution to suspend, suspension or expulsion.

The NSW Department of Education <u>Student Behaviour policy</u> and <u>Suspension and Expulsion</u> <u>Procedures</u> apply to all NSW public schools.

Reporting and recording behaviours of concern

Staff will comply with reporting and responding processes outlined in the:

- Incident Notification and Response procedure
- Student Behaviour Policy and Suspension and Expulsion procedures

Students and/or parents/carers can report cyberbullying to the <u>eSafety Commissioner</u> and reporting links for most sites, games and apps can be found at the <u>eSafety</u> Guide.

Detention, reflection and restorative practices

Toilet and food breaks are always included when withdrawal from free choice play at either break is planned as a response to behaviour. The maximum length of time will be appropriate to the age/developmental level of the student.

Sandy Hollow Public School Behaviour Support and Management Plan

Strategy	When and how long?	Who coordinates?	How are these recorded?
Reflection room – a structured debriefing and planning after a crisis event or behaviour of concern with an individual student (reflection)	Next day at either lunch or recess break	Principal	Documented in School Bytes
Alternate play plan – withdrawal from free choice play with time out and/or walk with the teacher for supervised play following breach in behaviour. The purpose is to assist the student to achieve the desired behaviour, to reflect on their behaviour and make positive choices – individual or group (detention).	Next break	Principal	Documented in School Bytes
Restorative practice – <u>peer mediation</u> or <u>circles</u> in groups	Scheduled for either lunch or recess break	Principal	Documented in School Bytes
