## Eisteddfod

With less than a week to go the children are busy putting the final touches to their performance.

Thank you once again to the parents who have offered to drive to Aberdeen.

Could we ask that if you are at school before the 19th would you please call in to the office so a staff member can view your current licence and registration. If not we will need to see them on the day.

Just a reminder to those children who have not returned their permission note, medical note and the \$5 envelope, could these please be returned tomorrow.

Thank you for your support.
