Nutrition Snippet 'Fruit of the Month' Avocado

Fun Fact - The avocado is often called an 'Alligator Pear' because of its green skin and pear shape.

-Avocados contain Vitamin E, great for healthy skin, they're packed full of Vitamin C and are high in fibre!

-Good fats are found in avocados - the type that keep you healthy

Thank you so much for all the offers to transport the children to Aberdeen for the Eisteddfod on 19th June. If you are unable to drive, could we please ask you to provide \$5 per child to assist the drivers. Your children will bring home an envelope for you to place this in. Also if your child / children are under 7, could you please supply a booster seat.

Our performance will be at 1.00pm, therefore we will need to depart from school at 11.30 to ensure we are ready to go on stage.

Many thanks for your support.

THANK YOU FROM THE P & C

Thank you to all the parents, grandparents and members of the community who helped in the canteen, BBQ and tea/coffee areas and those who made soup and provided slices for last week's Pittman Cup. It was most appreciated! Without your input we wouldn't have raised almost \$1,000 to go towards our children's education. Well done!
