Partial and Whole Day Absences

We have introduced a new system for parents to sign students in and out of school. As many of you are aware, our office is unattended three days per fortnight, so we are simplifying our system. Parents will no longer need to fill in the 'yellow' slips from the office as they did in the past; instead, all classrooms now have sign in/out books. These books can also be used to notify of whole day absences. We thank you in advance for being patient as staff and families familiarise themselves with the new system.

Wishing everyone safe and happy holidays and see you all back here refreshed and ready for term 3.

Term 4 Concert

Music lessons have been going well this term with students making great progress. Next term we will be preparing pieces to play in our concert at the beginning of Term 4.

Parents can help their children progress by encouraging them to practise at home, or on the piano at school during break times, and making sure they bring their music books to lessons each week. Also any unpaid account need to be settled by the end of term.

There is a vacancy for piano or beginners guitar in Term 3. If anyone would like to start their child learning one of these instruments please call me on 6547 2128 or talk to Ms Bullock.

Thank you.
