We have a number of stalls booked for the day. If you are considering holding a stall, please contact the school so that we can allocate you a space. More flyers are going out next week and we would like to advertise as many stalls as possible. Parent helper notes for the Mini Fete were sent out this week. Thank you to those parents who have already returned theirs. We still require a few more helpers and parents willing to cook cakes for the cake stall. K/1 News

Kinder and Year One have been very busy this term in all areas of learning. In Maths Kinder have been investigating 2D shapes, addition and subtraction, and Year One have been investigating number patterns. In English we’ve been concentrating on poems and rhyme, and enjoying revisiting Nursery Rhymes. This term’s Science unit “Paddock to Plate”, has evoked a lot of discussion about where the food we buy from the supermarket comes from, and how for example, the milk from the dairy cows in our local area ends up at the supermarket. Friday’s sport, Zumbatomic®, is a highlight of our week, a great activity to get everyone warm, and fun music to put smiles on faces. Last but certainly not least is Visual Arts, which I’m not going to report on as it’s a secret (our Father’s Day presents)!
