22nd June 2015

New Awards

You may have noticed some new awards have come home over the last two weeks. We have replaced the 'green note' with a worker of the week award. We have also purchased some awards specifically tailored to our You Can Do It program to allow us to focus on the concepts being taught. We will no longer issue green notes. However, if your child has some at home saved up for a bronze, silver or gold award, we will of course honour them.

Red Nose Day

This Friday we will be holding an out of uniform day to raise money for Red Nose Day. All students and staff are encouraged to wear something RED! No thongs, singlets etc. All students will need to make a \$2 donation that will go directly towards the SIDS foundation. A raffle will be run on the day. The prize is a wooden box full of art supplies which has been donated. All tickets will be 50c each. All proceeds will go to the SIDS foundation. This is a great opportunity for students to support a worth while charity.

Scrapbooking Class

In an effort to provide activities for local children, a scrapbooking class for kids will be conducted during the holidays. This will occur on Thursday 7th July, in the school library. There are two classes on offer - 10.00-12.00 and 1.30-3.30.

Any children aged 6-14 are eligible to come along and learn about presentation of photos. They will make 2 single page layouts during the session. Everything will be supplied in their kit, which will cost \$12 per participant - they just need to bring along 4-6 photos that will be use on the pages. Classes will be limited to 10, so please secure a place for your child by contacting the school. Kits can be paid for on the day.

DATES TO REMEMBER

The simplest way

to improve the health of your family and save money

Come to our FREE Fruit & Veg Sense Workshop

Date: Tuesday 28th June, 2016

Time: 10:00am until 12:00pm

Venue: Sandy Hollow Public School

Did you know that eating enough fruit and vegetables all their lives can help protect children against diseases, including some forms of cancer? This **free workshop** run by Cancer Council NSW will show you how you can easily:

- 🍴 **Save time and money making healthy meals**
- 🍏 **Learn clever ways to entice fussy eaters**
- 🍴 **Get a free recipe book simply by attending**
- 🍏 **Pack a healthy lunch box your kids will love**

Don't miss out – registration is essential. To book your place please register no later than 21/06/2016 by:

emailing eatittobeatit@nswcc.org.au

visiting www.cancerCouncil.org.au/eatittobeatit/register
or phoning (02) 4923 0704

Term 4 Pupil Free Days

We are currently seeking permission to change the pupil free days at the end of term 4 (Monday 19th and Tuesday 20th December) to Sunday 17th July and Saturday 3rd September. This will allow staff to attend the Small Schools Conference at Tamworth and update their CPR qualifications. The school will not be open on Monday 19th and Tuesday 20th December. If anyone has any issues with these changes, please do not hesitate to contact me during school hours.

Term 3

Holidays commence on Saturday 2nd July. Staff return on Monday 18th July and students return Tuesday 19th July.

Christina Darlington
Principal

Raw Art

Yesterday we held our Raw Art activities. Nina came to our school to guide the children through their creative endeavours.

All the children worked diligently following instructions to produce their artworks. The infants students made colourful turtles while the primary created ceramic landscapes.

With both of these artworks the children started with one medium and needed to carry out a large number of processes before producing their final artwork.

We would like to sincerely thank our P&C for covering the cost of our Raw Art day.

Pauline Bullock
