

Interviews

We will be sending notes out shortly for parents to book in for interviews; once we have finalised dates and times. If you are unable to attend the times and days offered please speak to your child's teacher so that a more convenient time can be arranged.

Steer Challenge

Now that we are back at school, the responsibility for feeding the steer will be taken on by students in the team. A note was sent home yesterday, asking parents to nominate times. These need to be returned ASAP so that a finalised roster can be sent home. Please be aware that all students must be accompanied by an adult when they come into the school to feed the steer, and they must be wearing suitable boots.

The students will start working with the steer in a few weeks.

**Please keep our gates closed at all times while we have the steer in residence.
We apologise for any inconvenience.**

100's Club

On election day, Mrs Parker and Dimity Parker ran a 100's club, with the funds to go towards learn to swim. Thank you to all community members who supported our fundraising efforts. Congratulations to the winners.

1st - Luke Schmidt

2nd - Scott and Kelly Elliott

3rd - Bev Pittman

Drama

The school has been able to secure a grant for drama. Students will participate in weekly lessons this term, conducted by a drama specialist from the Conservatorium of Music.

A huge thank you to Rebecca Logue for writing the submission and organising this wonderful opportunity for our children. Thank you to Glencore for your financial support.

Cookie Dough

Cookie Dough orders and money are due back Friday. **No late orders will be accepted.** All money raised will go towards our learn to swim program.

Bark Chips

We have a large pile of bark chips in the school that we no longer require. If you would like some, please contact the office and arrange a time to pick them up. They are being offered free of charge.

Zumba

Zumba starts next week and will run for 6 weeks. All students will be expected to participate. There will be no cost to students as the P&C has generously offered to pay for the program in full. We thank them for their ongoing support.

CPR

A CPR course will be run at the school on Saturday 3rd September from 9.00am to 11.00am. If you are interested in attending please ring to book your place. The cost of the course is \$35 which is payable on the day.

Christina Darlington - Principal

Claim the Date – Education Week Open Day

Tuesday 2nd August 12.15 – 3.15pm

Open Classrooms – Touch Football – BBQ – Assembly

20th July 2016

Welcome back. I trust everyone had a fantastic break. Once again, we have a busy term ahead of us, with NAIDOC celebrations, Zumba, Steer Challenge, Book Week, Purple Day, Footy Colours Day, school photos, PSSA touch football and the primary excursion. Keep your eyes out for further information.

NAIDOC Week

This week we are celebrating NAIDOC week. NAIDOC stands for National Aboriginal and Islanders Day Observance Committee and is a celebration of Aboriginal culture. Today the classes will enjoy a performance by Owen Wilson. They will also be involved in craft and art activities, dreamtime stories and learning about the stolen generation. Over the next 6 weeks, Roz Stair will be working with the classes once a week on dreamtime stories, culture and language.

Assembly

There are going to be some changes regarding how we conduct our weekly assembly. Assemblies will still be held on Friday mornings at 9.15. If there needs to be a change to this due to other commitments, parents will be notified via the newsletter and the SkoolBag app by Wednesday. Starting next week, we will send out notifications via email and the SkoolBag app regarding which children are receiving awards, so that parents have

the opportunity to attend the assembly if they wish. Please remember that all parents and community members are welcome to attend our assemblies at any time.

There will be no assembly this week.
